Capital Chronicles

LTG Greetings

Greetings Capital!

I hope you're enjoying all of the snow, and getting accustomed to the new semester. It is hard to believe spring break is in sight! The spring semester brings the transition into a new Circle K year. But before that happens, we have tons to do! ☺

First, our Divisional Spring Serve will be February 28th at Gettysburg College. Next, we have many events going on throughout Capital that I encourage you to attend. Finally, District Convention is March 26th-28th in Allentown!

The coming to months will also involve club elections, and transitional "banquets". I urge each of you to consider taking your Circle K experience to the next level by running for office. Please talk to your Club President or myself about all of the opportunities available.

I challenge each of you to keep up the great work, and let's continue to show the rest of the Pennsylvania District how great our division is.

In Service,

Chuck Black
Lieutenant Governor

DCON 2010

Where will you be March 26th? Allentown!

Article by Kim Frank, Special Events Chair

Festeggiare! Feiern! Fait la fête! No matter how you say it, a celebration is in order! That's right; it's time to start planning for Pennsylvania Circle K's District Convention in Allentown, PA. The convention will be held March 26th-28th, is an event you don't want to miss. After a very long year of hard work and dedication to serving our communities, it is the perfect culmination of leadership and fellowship to end the year right. Affectionately referred to as DCON, Circle K clubs from the Pennsylvania District are invited to show off what they've doing at our annual service fair on Friday night, along with an awesome opportunity to play some games and hang out with friends from other clubs, new and old. Then on Saturday we allow potential candidates to campaign and caucus for their respective positions, and in the 48th Official House of Delegates you may even elect them! Saturday evening hosts a semi-formal reception for us to collectively reflect on our great service this year, and honor those who went above and beyond to achieve great things.

District Convention is the ultimate event associated with Pennsylvania Circle K, and what makes this year's event so much more incredible is the Serving Through the Decades theme. Travel through time as we bring out the funk of the 70's, 80's and 90's all weekend long. We have LIVE game shows from yesteryear and today waiting for contestants to come on down, if ya' know what I mean. It's a groove that only awesome food, awesome music, and awesome costumes could spark. And as always, you can whip out your best boogie at the disco Saturday night. So don't end up being a square and missing your chance to register for Pennsylvania Circle K's biggest district event, registration is available online and through your respective club officers. If you have any questions about DCON and/or the registration process please contact your Lieutenant Governor!
