Call to District Convention

Above: Old Main at Penn State.

District Convention is just around the corner! This year's convention will be held at Penn State – University Park from March 28 – 30, 2025. Convention is a chance for members to enjoy fellowship, elect District leaders for the new year, perform service, and learn more about the organization. The

District Board is still working on

finalizing some details and the schedule, but we can share some information that has been finalized.

This year's theme is, "Under the Sea." Registration will be \$75.00 per person for the entire weekend. There will also be one day registration options. Clubs will be notified when it opens from the District Board. Registration includes three meals, t-shirt, and convention activities for Friday and Saturday Nights. Accommodations will be at the Ramada State College (details below).

Awards information will also be available in early February. (Remember, clubs do not have to attend District Convention to participate in awards.) Something new for this year is that we are giving out some cash prizes to clubs who win awards to help with their budgets.

Our service project is going to be held at Boalsburg Mansion, a historic estate near campus. We will be doing some housework and maintenance around the house and property. It should be a fun weekend full of Circle K spirit and a great way to learn something new or make new friends!

Call to International Convention

Pennsylvania will host Circle K International Convention this summer from June 25-27, 2025 in Pittsburgh. The early deadline for registration is quickly approaching (April 1st)! Now is the time to check and see if there anyone interested in attending ICON this summer.

Early registration is \$275. After April 1st, the registration increases to \$325. Accommodations will be at the Even Hotel in Downtown Pittsburgh. The rate will be \$215.49/night The hotel is located near the convention center and many local attractions and restaurants.

The International Board is still putting together the final touches, but this will be great way to meet Circle K members from across North America and participate in an International event. Attendees will also vote on International Officers, learn more about the organization, and participate in a service project with Caitlin's Smiles, a Pennsylvania based non-profit.

If anyone in your club is interested in attending, please let me know as soon as possible. There are some funds available to help decrease the cost of event. Please encourage your members to attend. I think this will be a fun event and great way for your clubs to become more involved with CKI overall!
