## Spring Officer Training

The East Division will be hosting a Spring Officer Training for Club Officers in Philadelphia. The exact location and date will be announced later. Not only will you be trained for your position, but we will be covering topics like running a new member meeting and handling a table at an activities fair. Members of the District Board will be there for training, questions, and advice. We will also be visited by the International Vice President, Katie Lynch, from Rutgers University in the New Jersey District. The event will be from 11:00 – 3:00. There is no cost to attend, and lunch will be provided! If you are not able to attend, there will be other opportunities for you to be trained. Be on the lookout for more details shortly!

As your club prepares for the new year, make sure to fill out the Club Officers Election Form with your new officers for the 2024-2025 year. The form is included with this email and newsletter. This will help the District Board keep in contact with you over the year.
