## International Convention 2024 Recap

From July 3-5, 2024, 120 Circle K’ers from around North America gathered in Denver, Colorado for their annual International Convention in conjunction with the Kiwanis International Convention. This year, Pennsylvania sent four members (1 from Penn State – University Park and 3 from Thiel). The convention started with some Pennsylvania Circle K’ers attending Next Up, a leadership event for underclassman. On Wednesday afternoon, the convention started at Opening Session. Some awards were given out and we received an update on the CKI UNICEF Initiative: Brick x Brick. After Opening Session, we listened to International Board Candidates’ platforms during caucuses for the new CKI year.

## International Convention 2024 Recap

Thursday was July 4<sup>th</sup>. Members listened to a Keynote Speaker with a joint session with Kiwanis and attended multiple fund and educational workshops. After business concluded for the day, District had outings all over Denver. Pennsylvania went mini golfing and had dinner out at Maggiano's. Later that night, we had a good view of fireworks from our hotel room.

Friday had a few final workshops and attended the House of Delegates took place. Delegates voted on business and elected the new International Board. Amendments that passed created a provisional status for District below 5 clubs in good standing, and made the number of Trustees on the International Board dependent on membership. There are currently 8 trustees, but that number may change at next year's convention. At closing session, some additional awards were given out and the old International Board was retired, and the new International Board was installed. Pennsylvania gets to host International Convention next year in Pittsburgh, from June 25-27, 2025. Be on the lookout for updates throughout the year to see how we are helping plan the event and how the District plans on helping Pennsylvania Circle K members attend!

### Monthly Reports and Summer Service

Has your club been keeping track of their summer service hours? Make sure hours are being reported on the summer monthly report forms or that they are counted on the September monthly report form when school starts.

Monthly reports are due the 5<sup>th</sup> of each month. If your club has missed a month or two, you can still submit them. Make sure to report as many hours as you can from your members! If you are unable to access the monthly report form, please contact me at [administrator@pacirclek.org](mailto:administrator@pacirclek.org).
